JOB DESCRIPTION FOR: Invasive Species Inspector

The West Cassia Soil & Water Conservation District is seeking Inspection Station Attendants. This position is seasonal and usually begins in February and ends October 31. Actual working dates will be available during interview process.

The objective of the inspection station is to prevent aquatic invasive species such as quagga/zebra mussels from invading the waterways of our region. In addition to inspecting and washing boats thoroughly, attendants must engage in education and boater survey information. Station is located at Cotterell Weigh Station near the Yale Road exit on I-84 northbound.

Desired applicants must be self-motivated, hard-working, outgoing, works well with others, have the physical ability to crawl under boats and trailers, have the eyesight and touch needed to detect mussels, and the hearing capability to ensure safety due to traffic and noise at the job site. Applicants must be able to pull heavy hoses and lift 25 pounds. Knowledge of local lakes and rivers, boating issues and power washers is beneficial. Applicants must have a valid driver's license and reliable transportation to and from the jobsite. Positions will require extensive training and personal accountability.

Employee needs to be available 7 days a week, working up to 40 hours per week (including holidays).
